

YouTube presents Ham Radio Deluxe

You Tube video producers have done a pretty decent job of presenting the many features found in Ham Radio Deluxe.

Listed below are some of many of those video presentations. Just paste the link below into your browser and it will take you to the subject video. Try the "search" function on You Tube to find you own topics of interest.

Remember, if you have questions about Ham Radio Deluxe and especially the DM 780 module, check into The Villages Amateur Radio Club's Digital Forum held every Wednesday at 11:00 a.m. on 146.925 with an alternate frequency of 147.030.
