

"FOR SALE"

KIO Technology BBHEX5 5 Band Hexagonal Beam

Covers ~ (20, 17, 15, 12, 10 meters)

Asking \$550.00 for Complete System

Includes: Optional \$59.99, Six Piece Ice/Wind Cord Set!

This is brand new, in the "original shipping boxes!"

My total cost (with shipping) was: \$722.00!

The Hex is in MA but can be shipped via UPS Rates!

Having moved here, I will not be able to install this antenna but perhaps, someone outside of The Villages may be interested

If you decide you want the KIO Hexagonal Beam, please make me an offer but don't embarrass yourself in the process...

Thank you for your consideration.
