

The Villages Amateur Radio Club

General Membership Meeting

May 19, 2016

The TVARC DXCC Standings

It Can Be Done!

TVARC DXCC

- To encourage operating
- Add some competition within the club
- Your DXCC count will be tracked

TVARC DXCC

- Self-report each month
- Your running count of DX countries worked from within The Villages
- No QSLs or LoTW confirmations required
- Will be updated and listed on our K4VRC.com website every month under Radio Activities menu item

TVARC DXCC

- Think about other categories
- VHF Grids, WAS, 160M, etc.
- Maybe list operating awards:
certificates/plaques earned from The Villages
- Encourage cooperation – if you work something good, post immediately to the reflector

TVARC DXCC

- Send your total to me psk2ps@gmail.com for now
- When our Webmaster Rich, ND4G returns from abroad and decompresses, we'll work out the format and post the TVARC DXCC Standings List
- Questions?
